

WIRING DIAGRAM - CAR (DUAL BATTERY SYSTEM)

SAFETY DISCLAIMER This document is intended for informational purposes only. It is not a substitute for having a trained, professional electrical installer work on your power system. If you have any doubts about performing do-it-yourself electrical work we highly recommend you hire a professional. Deep Cycle Systems is not responsible for the use and results of this information by any party, especially those lacking sufficient skill or knowledge to perform these steps safely and any hazard created is the sole responsibility of the user.

The DCS USA Warranty does not cover damages or harm resulting or assumed to be the result of improper installation or use of our batteries, or any kind of damage to the battery as a direct or indirect result of neglect to follow recommended handling and maintenance procedures. **Copyright 2023 - Deep Cycle Systems USA**
